

The Floating Opera And End Of Road John Barth

the floating opera: existentialism and beyond. - john barth's first novel, the floating opera, is a satiric study, a playful parody which at times convincingly masquerades as an existential novel. todd andrews, the protagonist-narrator, regularly runs up against existential paradox upon contradiction in an attempt to impart a rational meaning to both life and death.

the floating opera - jim morris music - the floating opera. adios my kemah-sabes i'm leaving town today got my route picked out but there ain't no doubt i'm bound to wander along the way i'm gonna head for some greener waters i want to chase the morning sun sample the simple pleasures i want to make that highway run
